

# The Bellswood

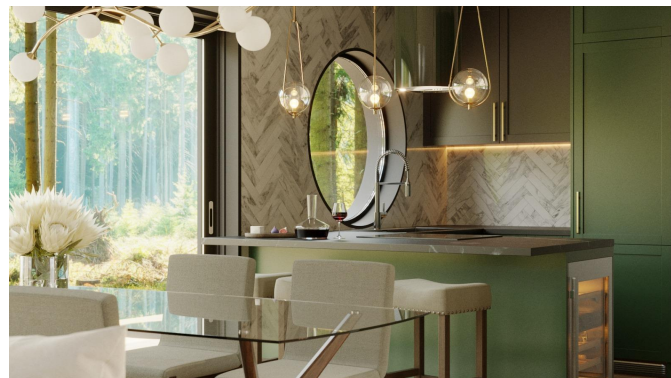

## Sustainable Luxury

Introducing the Bellswood by Oasis Habitats: an epitome of exclusive home living. Crafted as a single-story marvel, it redefines comfort, style, and luxury. Meticulously constructed by seasoned artisans using only the finest materials, the Bellswood not only meets but exceeds all UK home building standards, ensuring full mortgage eligibility.

Boasting 300mm insulated walls, floors, and ceilings, this modular home sets a new standard in insulation, slashing energy costs by half. Its sectional modular design allows for seamless on-site assembly, followed by a rigorous quality inspection before handover.

Whether furnished to perfection or left to your personal taste, the Bellswood is engineered for year-round comfort. Experience the pinnacle of exclusive living with the Bellswood – where luxury meets practicality in every detail.

Quality and integrity guaranteed
